Under The Son receives 4 stars in KY “ALL STARS” Program

Pictured left to right: Emerson Fryman, Hadley Littleton, Mrs. Bev, Kenason Appelman, Melayna Workman, Ella Swolsky, Addison Littleton, Ellie Smith, and Mrs. Denette.

Mrs. Bev Littleton and Mrs. Denette Arthur are pleased to announce the Under The Son Early Childhood Education Center in Augusta has received a 4 star rating in the Kentucky “ALL STARS” Program. Kentucky “ALL STARS” is a voluntary quality rating and improvement system for early child care and education programs. The system uses a scale to identify levels of quality that surpass licensing requirements. Programs are assessed in: staff/child ratios, group size, curriculum, parent involvement, training and education of staff, regulatory compliance and personal practices. Studies show that children who attend high quality early learning environments have better math, language and social skills.

They were notified of their rating on the 1st of June. Mrs. Bev said, “It is important to know they are offering everything the children need for a solid educational foundation and the children are loving every second of it.” She went on to state, “A first impression of school is everlasting.”

Under the Son is currently accepting applications for 3, 4, and 5 year olds. Applications can be received by contacting them on their Facebook page - Under The Son Early Childhood Education Center, or by phone at 606-756-3527 or 606-402-0158. They will be holding their annual Open House on Monday, July 31st from 7-9 p.m. Under The Son is located at 201 East Second Street in Augusta.

Riverboat American Queen visits Augusta; draws a number of visitors

The American Queen stopped for a visit in Augusta on Friday, July 14th. While she was docked along the River Walk, her passengers disembarked to tour Augusta and the surrounding area. Local members of the Augusta Art Guild, like Susan Young, shown seated above, took advantage of her visit to paint and draw her with the beautiful Augusta shoreline along the Ohio River. Her visit also prompted many to venture to Augusta and take their pictures of her and all her grandeur.

According to their website, “The American Queen is one of largest steamboats ever built and is a gracious and elegant triumph of American ingenuity. Although filled with today’s modern amenities, her rooms and accommodations display all the opulence of the American Victorian era. Glistening woodwork, fresh flowers and antiques adorn her interior spaces. Outside, lacy filigree evokes memories of the many stately riverboats that preceded her and so inspired her designers. Combining the best of the old and the new, this beautiful lady of the river epitomizes the grace and grandeur that has made River Cruising a cherished American tradition for more than two centuries. One voyage and you’ll see why. The American Queen Steamboat Company is strongly committed to preserving the marine environment and continually strives to do our part in keeping America’s waterways cleaner.”

Moore hits jackpot; will continue support of homeless veterans

Michael "Mike" Moore of Augusta hit a Royal Flush jackpot on Ultimate Texas Holdem for \$104,212.63 on July 3rd at the Jack Cincinnati Casino.

On their Facebook page, a Jack's spokesman said, "We are especially excited about this particular jackpot winner because Michael pledged to use a large portion of his winnings to continue to assist homeless veterans. Michael currently runs boarding houses at little to no cost for veterans in the area and will continue his efforts with his winnings."

Once taxes and the house cut were deducted, Moore received approximately \$75,000. The money will go a long way in assisting homeless veterans.

Blood Drive to be held Tues., July 25th in Augusta

The need for blood doesn't take a vacation. Accidents, surgeries, cancer therapies and disease treatments continue year round. Unfortunately, vacations and more relaxed summer schedules often lead to a dip in blood donations.

To help ensure a strong summer blood supply, Kentucky Blood Center (KBC) is inviting everyone to roll up their sleeves and be a summer lifesaver.

The Augusta School & Community will host a blood drive on Tues., July 25 from 9:30 a.m. - 3 p.m. in the Band Room at 207 Bracken Street. All donors will receive a \$10 Gift Card! Donating at this blood drive will benefit the Augusta High School Power of Life Scholarship. Help an Augusta High School student succeed and donate blood!

As a thank you, everyone (18 years and older) who registers to give blood will be automatically entered to win a 2017 Toyota Highlander. The Summer Lifesaver Highlander Giveaway will run June 1-Sept. 8.

Walk-ins are welcome, but appointments can be made by visiting kybloodcenter.org and clicking on the Donor Login button at the bottom of the page or by calling 800.775-2522, ext. 3758.

Blood donors must be 17-years-old (16 with parental consent), weigh at least 110 pounds and be in general good health. Donors must also show a photo I.D. with first and last name, like a state-issued driver's license. Sixteen-year-old donors must have a signed parental permission slip, which can be found at kybloodcenter.org.

Thoughts and Meditations from the Scriptures

We Need More Friends and Fewer Enemies

There is a temptation when we have conflicts with others to brood over the real or perceived wrong done to us and to seek revenge, but this is the exact opposite of what we should do, both on Christian principles, and in terms of good human relations. Every Christian knows that we are supposed to turn the other cheek and to leave vengeance to God, but sometimes we have so much trouble letting go of what was said or done to us that we feel a sense of righteousness in plotting our revenge. If you really cannot get over your desire for revenge, perhaps you can still turn it around and make acting like a good Christian the best revenge. It's always best to react to unkind words or deeds with kindness and composure, and then your reputation (and your soul) remain untarnished. Often the best way to handle these things is to tell the other person that your feelings were hurt and that you would rather be friends than enemies, and to seek sincere reconciliation. Let's face it, we all need more friends and fewer enemies, and the work of keeping friends as friends takes serious effort. Leave justice and revenge to God. — *Christopher Simon*

"Do not seek revenge or bear a grudge against anyone among your people, but love your neighbor as yourself."

Greetings to all from CCC. May each day bring you love, peace, and much happiness.

Ron Foley brought the SS lesson from 1st Samuel 17:8, 32-37, 48-50. This was on David and Goliath. Next week's lesson is from Romans 5:1-11.

Sandy and Albert Blevins celebrated a 50th wedding anniversary. The family had an open house for their parents...this was at Albert and Sandy's home in Chatham. We love you and you are always in our prayers.

Remember the Backpack Program. We are collecting school supplies through August.

Also, remember the Food Bank Program. There are many needs in our community.

Bro. Jackie's message was from Acts 10:1-34. "Peter and Cornelius".

Remember in prayer: Edwin Young (had a stroke on Father's Day and is showing signs of improvement), Sandy Blevins & Albert, Carol Polley (been under doctors care this past week), John & Betty Henderson and all those on the prayer list and always each other.

GREETINGS FROM ST. JAMES

by Caroline Jefferson

Parishioners are busy preparing for this weekend's activities which begin with a 4:00 PM Mass on Saturday evening followed by a dinner of pulled pork, fish or hot dogs served with cole slaw, chips and a drink from 5:00 until 7:30 PM. Sunday's Ice Cream Social begins at Noon with the Food Booth, Kiddie Land, Bingo, Country Store, Silent Auction, Pull Tabs and hourly country ham drawings along with split-the-pot raffle and the major raffle which will be given away on November 3, and of course, delicious cakes and homemade ice cream! We invite everyone to join us for this annual fundraiser and social event as we enjoy making new friends and renewing old friendships! Our sincerest appreciation to everyone from near and far who support St. James with their patronage and prayers!

Monday began the novena to St. James and concludes on Tuesday, July 25, the feast day of this great saint and patron of our church. James, son of Zebedee and Salome and brother to John the beloved disciple, was one of the 12 Apostles of Jesus and traditionally considered the first apostle to be martyred. Through the intercession of St. James may our church continue to grow in love!

The Best Week of Summer At Maker Fun Factory!!!

Powersville Christian Church will be turning our gears towards learning more about God at Vacation Bible School starting on Monday, July 24 - Thursday, July 27 each evening from 6:30-8:30 p.m. The age group is from kindergarten thru 6th grade.

At Maker Fun Factory VBS, children won't just hear about God's love, they will get to experience it! Most importantly, they will learn that because Jesus loves us, He came to die for our sins and make a way for us to live with God forever.

We hope you will join us for four nights of gearing up for God! Register online at powersvillechristianchurch.com or contact Phyllis Holleran at phyllisholleran@gmail.com. The excitement is building! Hope to see you there!

PRESBYTERIAN POTPOURRI

by Les Grooms, pastor Augusta Presbyterian

We completed the study of the Apostle's Creed in our Sunday School. This was an interesting study led by Earl Bush. Next week we will be starting a study about Moses.

Earl Bush was the liturgist and Susie Hargett led the singing as well as singing a special song. We have one song each week accompanied by recorded music. We are doing this to get familiar with using recorded music as the accompanying music for our songs. Many churches now are using recorded music because of the absence of those who are learning to play pianos and organs.

We are going to be absent from the pulpit for two weeks. We will be at Ruggles Camp Grounds for Old-time Camp Meeting. In my absence, Susie Hargett will be writing this newspaper account. She does such an excellent job of reporting. Sharon Hausman, a retired United Methodist minister and one of my former students, will be filling in for me.

Our Soup Supper will continue the first Monday of August. The workers are taking a well-deserved rest but will be back with renewed enthusiasm.

Our Food Bank continues. We are going to Wilder each Tuesday morning to get food from the Freestore Foodbank. Bob Gibson, Dave England, and Scott Deemer take turns going with me and helping load the food in my SUV. They work Tuesday afternoon distributing food with the help of Jackie Deemer. I couldn't do it without the help of these volunteers.

OAKLAND CHRISTIAN by Barbara Browning

"Who'd a thunk it?" God is much bigger than your sin; God sees beneath the surface -- everyone is unique to God. Even you!

Our VBS "Hero Central" starts July 24-28, 6-8:30 p.m. Call 854-654-6174 if you need a ride.

Our Pool Party at Kincaid Lake is August 5, 7-9 p.m.

Youth Fishing Tournament is scheduled now for September 16, so be looking for that special spot to fish, kids.

Prayer concerns include Billy Miley, Donnie Lucas, Carolyn Bay Donner, Lucas Haas, Charlie Tarvin, Kenny Burden, Billy Toadvine, Melanie Woods, Beryl Mattox, Connie Peed, Connie Eagan, Violet Hedgecock, Leah Goshorn, Jim Haley, David Appleman, Lisa Switalski, shut-ins, cancer issues, and our nation. BROOKSVILLE CHRISTIAN by John Elfers

Psalm 139 tells us that we are fearfully and wonderfully made! Psalm 139 also references all of God's magnificence that Ron has talked about the last several weeks. The challenge for us Christians is, keep God in His rightful place, acknowledge our shortcomings, and remember that the more we humble ourselves, the more God will lift us up.

Also Sunday, we heard of alot of great things happening at Camp Northward... from baptisms to dedications. What wonderful news!

Please keep the Mission Team in your prayers. Fourteen of our church family will be travelling to Missouri and back spreading the Word of God and helping out the Show-Me Christian Youth Home!

July 30: Fifth Sunday Breakfast 9:15 a.m.

Aug. 4: 6-12 grade lock-in 7 p.m.-7 a.m. (see Shane).

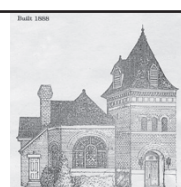

Aug. 13: Church Picnic, Maysville-Mason Co. Park.

Aug. 18: Camp Northward's Men's Meeting.

Aug. 20: Sunday evening programs resume.

See you Sunday morning. Donuts at 9:15, worship 10:45. All are welcome!

Augusta Christian Church News

by Wanda & Marlene Bruce Heller, Minister

Today turned out to be nice and sunny. Our Sunday School lesson was "Make Room For God". With God in your life, all things are possible.

Please study the Book of James. Reach out and touch someone's life with love.

Greg Perkins said the opening prayer and Bill Nickerson said the closing prayer. The church message was "Our Awesome God" by Bruce Heller.

Please come to Wednesday Night "Refresh" at 7 p.m. Bring a Bible and a friend.

Worship service at Bracken Center is Sun., July 23 at 3 p.m. Everyone invited.

We had a song sung by Kim Fultz. She was very good!

Keep in prayer Phil Hedges (had an accident while mowing), Kenneth Werline, Chad Prater, Art Taylor, Danielle Shackelford, Mary Sue Tucker, the sick or hurting, our men & women in the Armed Forces.

FIRST BAPTIST CHURCH OF AUGUSTA by Roberta Wood

This little light of mine, I'm going to let it shine. Brother Tony's scripture was from Matthew 5:13-19. Are you letting your light shine? Did you get what verses 19 and 20 say? That if we break even one of God's commandments we will not meet Him in heaven. No, not even one commandment.

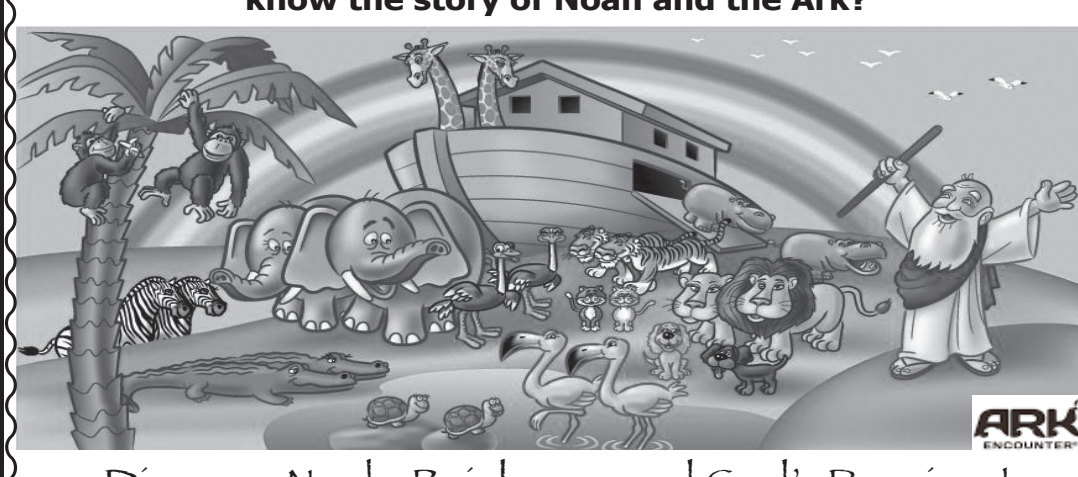

Please put the following on your prayer list - Chad Prater (has improved a little, but is still in need of our prayers), the 5 year old that was burned who is at Shiners, and keep our President and country in your prayers.

Sunday night we started our Vacation Bible School "Operation Arctic". Bible stories, music, crafts and food. Such a great night for everyone who attended.

July 23, we will be back on our regular schedule with Sunday School at 9:30 a.m. and Worship Service at 10:30 a.m. Then Sunday night we will continue our study in Genesis at 6 p.m. Come join us for one or all, we would love to have you. From all of us at First Baptist Church of Augusta have a blessed week!

Spiritual Formation should begin at a young age.

Does your child or grandchild, for example, know the story of Noah and the Ark?

Discover Noah, Rainbows, and God's Promises!

Come join us Friday, July 21st and go to the Ark Encounter! (Near Williamstown, KY)

Be at the church at 8 AM, Charter Bus leaves at 9 AM, will arrive back at 5 PM.

Janice Gregory: District AARP Grandparent of the Year

Have you ever had someone in your life who would do anything for you and has been there through the toughest times in your life? I have someone who fits that description perfectly, she is my grandma, Janice Gregory. She saved me with her loyalty, fun sense of humor, and love. Because of all she has done, she certainly deserves to win the A.A.R.P. Grandparent of the Year Award. Let me further explain why she is so deserving.

I seriously don't know where I would be without my grandma if she hadn't felt such loyalty toward me. When I lived with my mom, life was tough. She abused drugs and abused me. I was taken away from her and went to live with a grandparent who later died. When I was 9, with nowhere else to go, I went back to my mom who continued to beat and abuse me. My Aunt Janice took me in. She has grandkids so I started calling her grandma. She changed my life. When I moved in with her, I left everything behind. I had nothing. She bought me clothes and toys. Then the fire happened. She had taken us camping and while we were gone, our house burned to the ground and we lost everything. I was so afraid she was going to send me back to my mom, but she didn't. She said, "You are mine, all mine."

I will never give you up." For the first time in a long time, I felt safe.

Living the way I had to live before, I needed someone to love me. My Grandma Janice is it. She is the most loving person I know. Not everyone would take in a nine year old when they have grandkids of their own. I never have to worry about not hearing the words I LOVE YOU. She tells me that all the time.

Since living with grandma, she has made my life so much fun. She wakes me up with a smile on her face and says, "Good morning sunshine!" She will take me places I've never been before and lets me experience new things like vacations, spending the night with a friend, and something as simple as getting to go out and eat. I had never gotten to go to a restaurant before my mamaw came along.

As you can see, my mamaw Janice is just the person you are looking for to win the AARP Grandparent of the Year for Kentucky. She is helping raise her grandkids, but loved me enough to take me too. To me, she is my hero. She loved me when I thought no one else did and took me when I had nowhere else to go. I could never thank her enough for all she has done for me.

Bracken Co. Public Library Summer Reading Program comes to an end

Colton Delong - 2 years to Preschool winner.

The Summer Reading Program for Bracken County is officially over except for the Pool Party at the Augusta Pool on Saturday, July 22nd, from 6-8 p.m. Library staff saw all ages participate in the program this year, and those who participated were rewarded with stronger minds in addition to the wonderful prizes the library awarded to the Grand Prize winners. The Grand Prize Winners this year were: Colton Delong (2 years - Preschool); Colt Woodruff and Annabella Nusky (Preschool - 4th grade); Andrew Black (Tweens & Teens); and Wanda Nickerson (Adults). Pictures of the winners are included with this article as well as on the Bracken County Library Facebook page.

Wanda Nickerson - Adult winner.

The Facebook page also has the pictures from the various programs the library had for the Summer Reading Program, beginning with Tom Sieling's music/comedy performance and ending with Kentucky Wiener Dogs, Woody and Chloe. Everyone, whether young or old, had a fun and exciting time with the performances, and next year looks to be even better as the theme is "Libraries Rock", which will be a music theme.

There is no need to wait until next summer though. The library has programs on Wednesday's at 1 p.m. for preschool through eighth grade, and they are showing family friendly movies Friday's at 3 p.m. The Library Staff and Board are grateful to Ella Bowling who has volunteered her time in July to present the Wednesday S.T.E.A.M program. The library wraps up the week Friday's with a movie in which the library provides free popcorn to enjoy during the movie.

Whether in need of a good book, entertaining movie or to use one of the library's computers, please come and enjoy all the library has to offer today. Much appreciation to all those who supported the Summer Reading with donations and/or volunteering their time. Know that

Annabella Nusky - Preschool to 4th grade winner.

Colt Woodruff - Preschool to 4th grade winner.

you made an invaluable investment towards a brighter future in the community.

Several local and area businesses gave donations that allowed the Bracken County Library to offer a higher quality program for the Bracken County commu-

nity. Library staff and board members are also extremely grateful to the many who volunteered time to support the programs this summer, which is a priceless gift to the library and the patrons the library serves.

Andrew Black - Tweens & Teens winner.

Trash Talk

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug

Howdy Folks! Back in our May 25 article we urged everyone to celebrate a 'mini Christmas' on the 25th of each month by doing something nice for a family member, friend or a stranger, and to keep track of these acts of kindness to review on Christmas. Our faithful readers, Don and Mary Lynn Hawks, took this article to heart and stopped by our house on June 25 to present us with a gift to begin their monthly 'mini Christmas'! Unfortunately, they did not know that we had left for vacation the day before and on the sixth attempt to deliver their gift on July 2, they found us home! We were thoroughly surprised, humbled and quite appreciative of their dedication and thoughtfulness! Our sincerest best wishes to these dedicated readers and recyclers for their commitment to spread happiness and joy! Bracken County is fortunate that they decided to make this rural community their home several years ago!

Thirteen years ago on August 4 we became Solid Waste Coordinator for Bracken County and are amazed at how quickly the time has passed! Every five years each county must update its Solid Waste Management Plan and we have just completed this process for the third time! This document is in the Office of Judge Earl Bush for public inspection. The form that we had to complete was 17 pages long but with all the information that needed to be assembled, it contains 55 pages. All counties must have a Solid Waste Management Plan which serves as the basis for handling solid waste management issues within the designated area, basically serving as the guideline for operation. This 5-year updated plan will need to be approved by resolution by the Bracken County Fiscal Court and by each of the three incorporated cities of Augusta, Brooksville and Germantown. While these updates always present a challenge, we are truly thankful that our task of completing this form was daunting compared to those counties with

many and much larger cities! So, comparatively speaking, even though Bracken County is small, all counties are required to adhere to the same rules and regulations, whether rural, urban or metropolitan!

There are some variances in local ordinances, but all counties adhere to the state mandated statutes. For instance, it is illegal for citizens to burn anything in Kentucky other than paper, cardboard and brush with a few exceptions and the reason folks are advised to get information before they burn. Using a burn barrel to dispose of household trash is against the law statewide if for nothing else than the health risks that this practice presents! Toxic fumes which can cause cancer are released into the air when plastics and synthetics are burned, and anyone who has experienced smoke that is generated by burning plastic can attest to this! Legal open burning is associated with some agricultural practices, land management, construction, and the miscellaneous category contains information on camp fires, ceremonial bonfires, cooking and the burning of household paper products. We have a pamphlet available or you can call the Division of Air Quality in Florence at (859) 524-4923 and the Ashland Office at (606) 929-5285. You can also report illegal burning by dialing 1-888-BURN-LAW.

Tuesday is July 25 so you still have six dates left to give yourself a present on Christmas when you review the acts of kindness you did the previous six months on the 25th! You can start by being kind to Mother Nature by REFUSING to Litter, RECYCLING, REUSING and REDUCING to keep God's earth clean, green and beautiful! Be seen? you - Bin & Bug.

Why settle for a second hand issue? Start your personal subscription today! 606-735-2198

New Cattle Equipment Workshop to be held Tuesday, July 25th

By David Appelman, CEA,
Ag and Natural Resources

The Bracken County Ag Advancement Council has recently purchased a new Cattle Chute / Alley / Sweep Tub unit to add to the shared use equipment. It is an all in one trailer that is designed to be more user friendly for producers to work their cattle. The old equipment was difficult or even impossible for some people to set up.

Since this is a larger unit and with new innovations, a workshop has been scheduled for Tuesday, July 25th at 10

a.m. and again that evening at 6:30 p.m. **Producers will be required to attend the safety and use workshop to be eligible to use the new equipment.** This will also be the first offering of the Phase I educational credit for the 2017 program year.

New cost share programs are not available until later this fall, but you can get your educational credit now if you participate in the workshop.

For more information on the workshop, call the office at 606-735-2141.

When should farmers retire?

By Wyatt Fraas,
Center for Rural Affairs

Retirement from a farm business may not mean moving away or giving up on mentoring the next generation, but it does entail transferring management decisions to someone else. It can be a gradual or sudden process. It may be driven by long-term goals, by sudden health issues, or events outside your family.

When should farmers retire? The answer is related to choices and goals, and can happen at any time. While many can't imagine doing anything else except farming, their families may have other ideas and want to share more time with them. Discussions with your family can help design the retirement process.

Allan Nation, of Stockman Grassfarmer magazine, observed that a farmer or rancher is at his peak combination of labor, innovation, and management skills at age 50.

To maintain or grow the farm business after 50 can require an additional infusion of labor and maybe of innovation. That often means a young partner with energy and new ideas. Such a partnership process can greatly improve the income of the business, which may be the means to fund retirement savings after a lifetime of investing in farm assets.

A farmer can look for someone to work into the business at any time, but a planned process will take several years of testing the relationship, training to the uniqueness of the business, and a gradual shifting of management. A five-year time frame can work well to ensure a smooth transition and to demonstrate steady progress to the new farmer. Add ample time for readying the business framework and selecting the best candidate.

The Center for Rural Affairs has resources for retiring and beginning farmers at www.cfra.org/beginning-farmer-rancher.

Bracken County Cattlemen hold Summer Meeting

On Thursday, July 13th, Bracken County Cattlemen held their summer meeting. A good crowd of men and women was present. After a welcome by Pres. Danny Cooper, a delicious meal of hamburgers, all beef franks and all the trimmings was provided. Chefs Dave Parker and Jim Fields did the grilling honors on a grill graciously provided by WoodmenLife. This months meal was sponsored by the Flemingsburg, Maysville Southern States. Bracken County Cattlemen are very appreciative of all the help Southern States has given them.

Their program speaker, Mr. Warren Beeler of the Governor's Office of Ag. Policy, was introduced by Pres. Elect Nicole Goecke. Mr. Beeler's talk was very informative and encouraged farmers to get involved with all the government programs available to local farmers through the

extension service.

The Bracken County Cattlemen are on the move again. Pres. Cooper announced their next trip will be Friday, September 1st, to the new Bluegrass Stockyards in Lexington, KY. If you are interested in attending this tour please contact the extension office or Danny Cooper.

To wrap up the evening,

door prize winners were Madison Goecke, a Yeti Cooler, donated by WoodmenLife; John Sims, a mineral block, donated by John Goecke of Moorman Feeds; Robert Young, a farm gate, donated by Tony Johnson; and Jim Fields, a herbicide, donated by Southern States, Maysville.

Child Find for Children with Disabilities in Need of Special Education or 504 Services

Child Find

The Augusta Independent School District keeps educational records in a secure location in each school and Board office.

The Augusta Independent School District obtains written consent from a parent or eligible student (age 18 or who is attending a postsecondary institution), before disclosing personally identifiable information to an entity or individual not authorized to receive it under FERPA.

For students who have been determined eligible for Special Education, educational records will be destroyed at the request of the parents when they are no longer needed to provide educational programs or services. The Augusta Independent School District may destroy the educational records of a child without parent request seven years after they are no longer needed to provide educational programs or services. Parents are advised that data contained in the records may later be needed for Social Security benefits or other purposes. The Augusta Independent School District may retain, for an indefinite period of time, a record of the student's name, address, telephone number, grades, attendance records, classes attended, grade level completed, and year completed.

Children eligible for Special Education include those children with disabilities who have autism, deaf-blindness, developmental delay, emotional-behavior disability, hearing impairment, mental disability, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, speech or language impairment, traumatic brain injury, or visual impairment and who because of such an impairment need Special Education services.

Children eligible for 504 services include those children in a public elementary and secondary education program who have a current physical or mental impairment that currently substantially limits some major life activity which causes the student's ability to access the school environment or school activities to be substantially limited.

Children eligible for the State-Funded Preschool program include three- and four-year-old children identified with disabilities and four-year-old children who are at-risk, as defined by federal poverty levels up to 150%. Preschool children eligible for special education must have an Individual Education Plan (IEP) instead of a 504 plan to receive State-Funded Preschool program services.

The Augusta Independent School District has an ongoing "Child Find" system, which is designed to locate, identify and evaluate any child residing in a home, facility, or residence within its geographical boundaries, age three (3) to twenty-one (21) years, who may have a disability and be in need of Special Education or 504 services. This includes children who are not in school; those who are in public, private, or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 services.

The district's "Child Find" system includes children with disabilities attending private or home schools within the school district boundaries who may need special education services.

The Augusta Independent School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services, regardless of how severe the disability, is provided appropriate Special Education or 504 services at no cost to the parents of the child.

Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Augusta Independent School District find any child who may have a disability and need Special Education or 504 services. The District needs to know the name and age, or date of birth of the child; the name, address, and phone number(s) of the parents or guardian; the possible disability; and other information to determine if Special Education or 504 services are needed.

Letters and phone calls are some of the ways the Augusta Independent School District collects the information needed. The information the school district collects will be used to contact the parents of the child and find out if the child needs to be evaluated or referred for Special Education or 504 services.

If you know of a child who lives within the boundaries of the Augusta Independent School District, who may have a disability, and may need but is not receiving Special Education or 504 services, please call 606-756-2105 or send the information to: **Director of Special Education, Augusta Independent Schools, 207 Bracken Street, Augusta, KY 41002, Ph. 606-756-2105 or Section 504 Coordinator, Augusta Independent Schools, 207 Bracken Street, Augusta, KY 41002, Ph. 606-756-2105.**

If you know of a child who attends a private or home school within the boundaries of the Augusta Independent School District, who may have a disability, and may need but is not receiving Special Education services, please call 606-756-2105 or send the information to: **Director of Special Education, Augusta Independent Schools, 207 Bracken Street, Augusta, KY 41002, Ph. 606-756-2105.**

"Child Find" activities will continue throughout the school year. As part of these efforts the Augusta Independent School District will use screening information, student records, and basic assessment information it collects on all children in the District to help locate those children who have a disability and need Special Education or 504 services. Any information the District collects through "Child Find" is maintained confidentially.

Written *Policies and Procedures* have been developed which describe the District's requirements regarding the confidentiality of personally identifiable information and "Child Find" activities. There are copies in the Principal's office of each school, and in the Board of Education office. Copies of these *Policies and Procedures* may be obtained by contacting: **Director of Special Education, Augusta Independent Schools, 207 Bracken Street, Augusta, KY 41002, Ph. 606-756-2105.**

The District office is open Monday through Friday, from 8:00 a.m. to 4:00 p.m.

The Augusta Independent School District provides a public notice in the native language or other mode of communication of the various populations in the geographical boundaries of the District to the extent feasible.

If you know of someone who may need this notice translated to another language, given orally, or delivered in some other manner or mode of communication, please contact the *Director of Pupil Personnel*, the *Director of Special Education or the Section 504 Coordinator* at the address or phone number listed above for the Augusta Independent Schools.
